Who We Are

Advanced Flight Theory is a specialist aviation theory school based at the Sunshine Coast

Airport, Queensland Australia.

Advanced Flight Theory offers the highest quality **ATPL** (Airline Transport Pilot Licence) and **CPL** (Commercial Pilot Licence) theory courses and overseas licence conversions to aeroplane and helicopter pilots from all over Australia, the South Pacific region and around the world.

We also provide the best personalised service available, taking care of all of our student's training, accommodation and administrative requirements.

Why study at AFT?

Advanced Flight Theory leads the way in

dedicated aviation theory instruction.

We offer the only one stop shop for all of your theory requirements.

- Full-time and Distance Learning Courses
- Accommodation arranged
- Pilot Supply Shop stocked with all of the CASA Documents and Charts
- After hours course support and dedicated theory instructors
- 12,000+ pilots have successfully studied with Advanced Flight Theory
- The best Practice CyberExam system available

Advanced Flight Theory provides our students with the most innovative training material available. We guarantee to stick with you until you have passed your CASA PEX0 Exams.

Random Question Generators

Advanced Flight Theory's Full-Time and Distance Learning students enjoy unlimited access to a wide range of our very unique and specialised Random Question Generators (RQG's).

Each RQG creates a brand new, never seen before question covering an important calculation required to pass the subject's CASA PEX0 exam. After completing the calculation, you submit your answer and have the full workings presented so you can carefully check every part of your work.

There a million's of different question data combinations, so

you never do the same calculation twice. With unlimited practice on new questions, you will become fully prepared for any calculation on the topic that CASA presents to you!
