RA Aus Pilot Certificate		<p>Recreational Aircraft BAK Basic Aeronautical Knowledge For the RA-AUS Pilot Certificate</p> <p>BOB TAIT</p> <p>This book has been written to cover the syllabus of theoretical knowledge for the RAA-AUS pilot certificate. It has been written especially for the beginner and does not presuppose any previous knowledge of aviation. Each chapter of the book ends with a series of questions designed to test your comprehension of the material covered. All questions are accompanied by detailed explanations of the answers. It does not pretend to be a manual on how to fly a particular aircraft, but it will prepare you well for your instructor's pre-flight briefings as you progress through your flying training.</p> <p>Additional Postage Charge will be added at Checkout.</p>	\$94.50	RA Aus Pilot Certificate quantity <input type="text" value="1"/> <input type="button" value="-"/> <input type="button" value="+"/> Add to cart	aviation-textbooks-flight-guides flight-guides ra-aus ra-aus-aviation-textbooks-flight-guides pilot-supplies-and-study-document-packages
